1931 L'AGENDA

PRESENTED BY
THE JUNIOR
CLASS OF ~ ~
BUCKNELL ~
UNIVERSITY
LEWISBURG
PENNSYLVANIA

FOREWORD

WISHING to preserve for future generations of Bucknell Students a complete account of the various activities of our Alma Mater during the year 1929-1930, we have collected and herewith present the following record of that period in word and picture
in this L'Agenda of 1931

DEDICATION

To

Ephraim Marshall Heim,

whose thirty-eight years as student
and teacher at Bucknell have been
marked by devoted service to the Uni-
versity, its upbuilding and expansion,
this fortieth volume of L'Agenda
is dedicated.

EPHRAIM MARSHALL HEIM, PH.D.

Dedication

EPHRAIM MARSHALL HEIM was born in Warrentsville, Pennsylvania, on August 28, 1867. He received his early education in the public schools.

He was graduated from Muncy Normal School in the spring of 1887, and in the fall of the same year entered Keystone Academy, from which he was graduated in 1889. In the fall of that year he entered Bucknell, and was graduated in '93 with a Bachelor of Arts degree.

At the age of seventeen he began to teach in the Lycoming County rural schools. From 1890 to 1895 he taught in the Muncy Normal School summer session. After having been graduated from Bucknell University, he received an appointment as instructor in Latin at the Bucknell Academy, and taught there during the school year 1893-1894.

Professor Heim was granted a fellowship in political science at the University of Chicago in 1894, which he held until June, 1897. In the fall of that year he returned to Bucknell as an instructor in political science and economics. He was made professor of political science and economics in 1899, when the course was general and consisted of a few classes. From this beginning he developed the department, and in 1923 political science was separated from economics.

From time to time special courses in finance and business were added, with the necessary increase in teaching force, until, in 1928, the courses were collected into a four year Commerce and Finance course, which is recognized as one of the strong departments of the University. In all of this development Professor Heim has been the guiding influence.

In 1922 Professor Heim took the first steps in launching the drive for the Bucknell University Memorial Stadium, when \$17,000 was secured toward financing the project. Later in the year the project was taken over by the Bucknell Board of Trustees, and he retained the office of treasurer of the Stadium Commission, which had in charge the construction and financing of the Stadium project.

THE COLLEGE

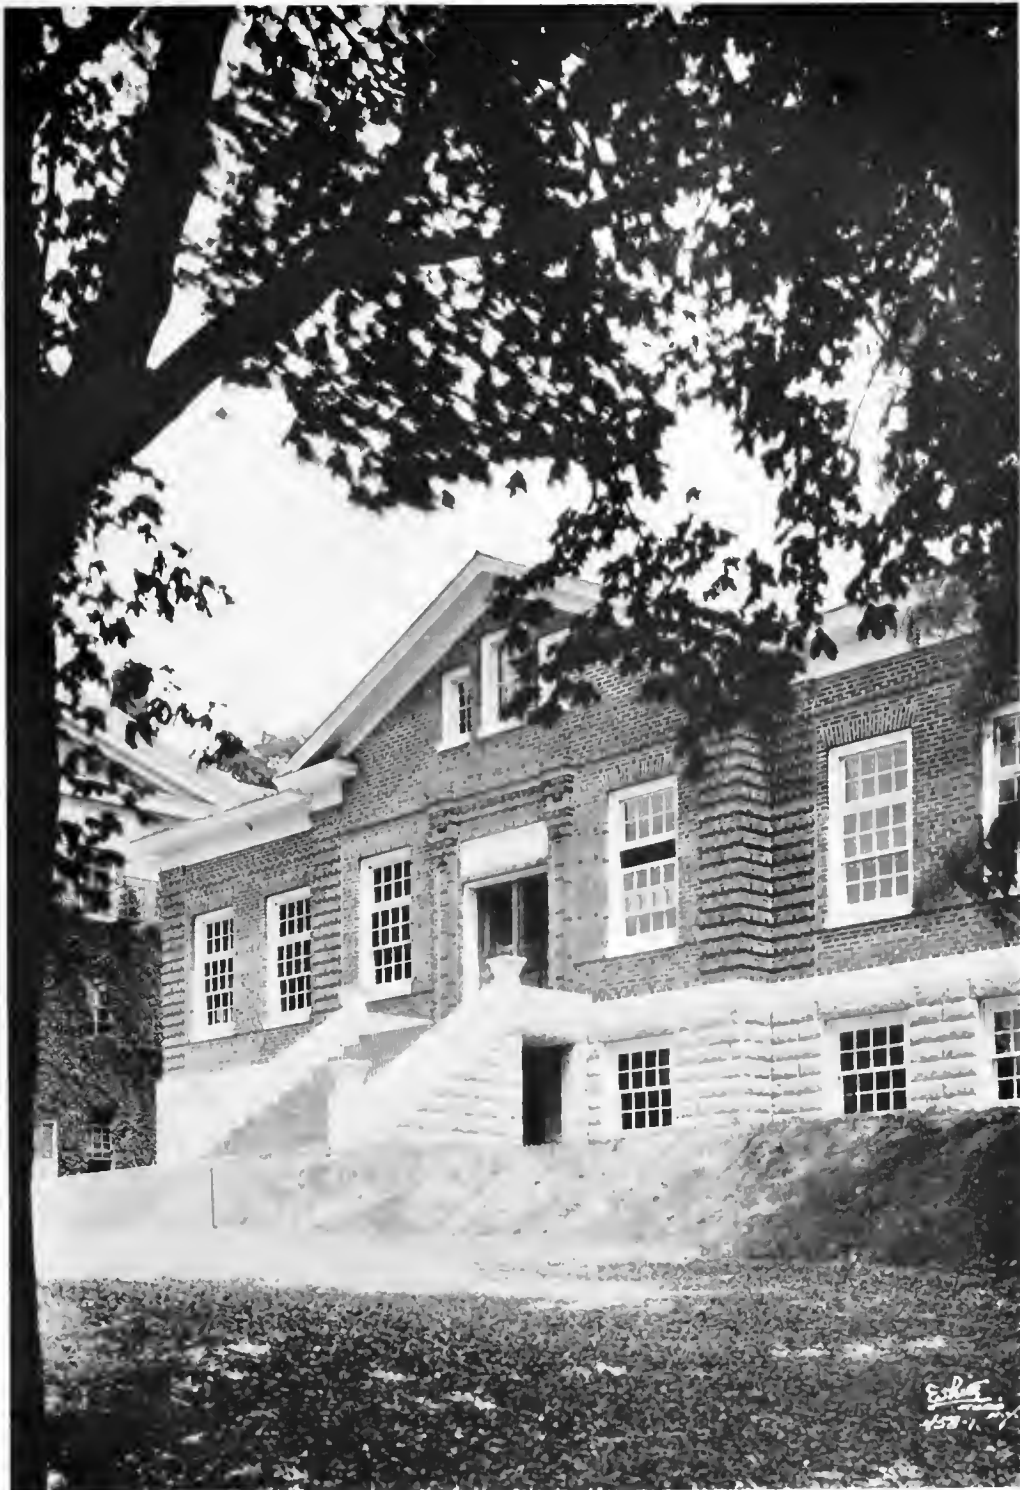

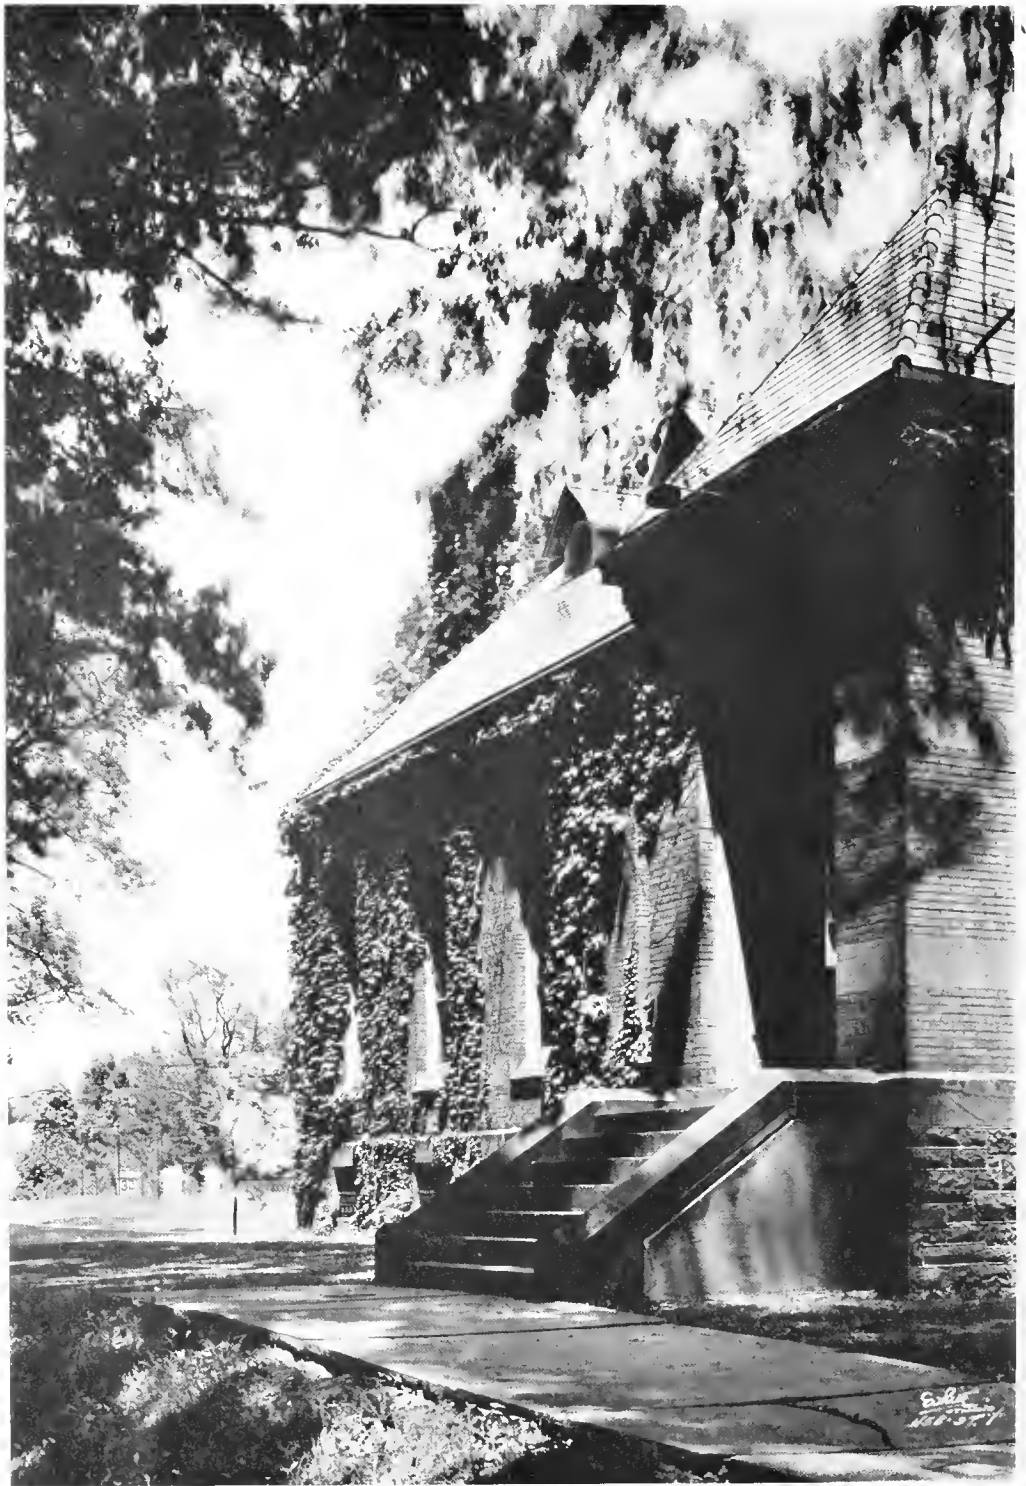

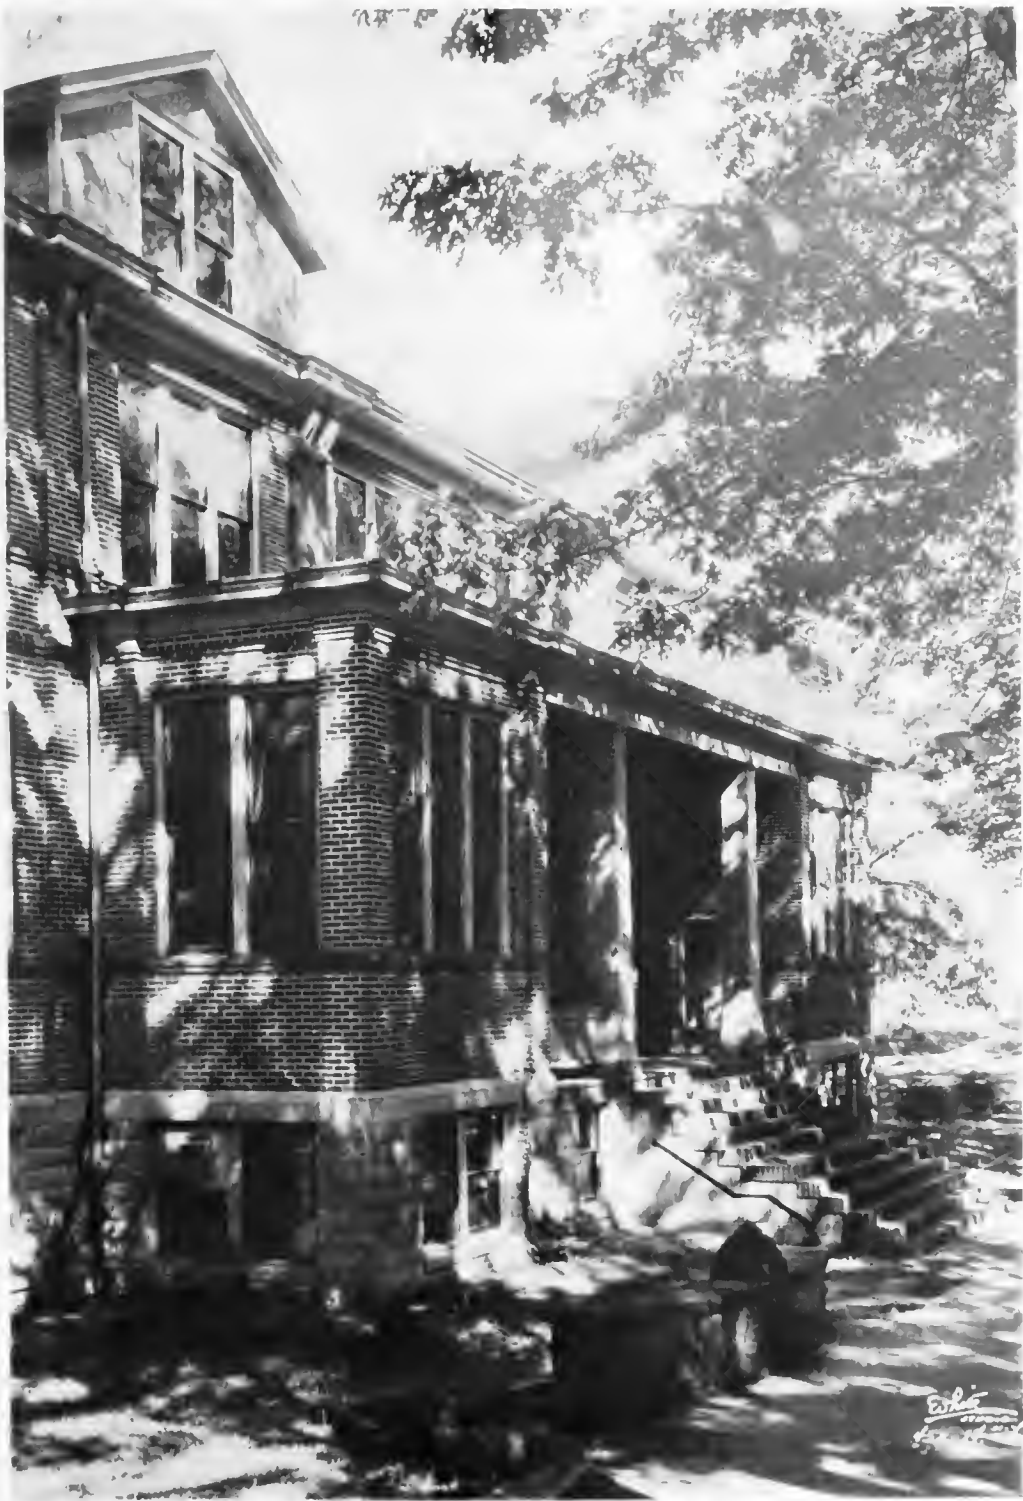

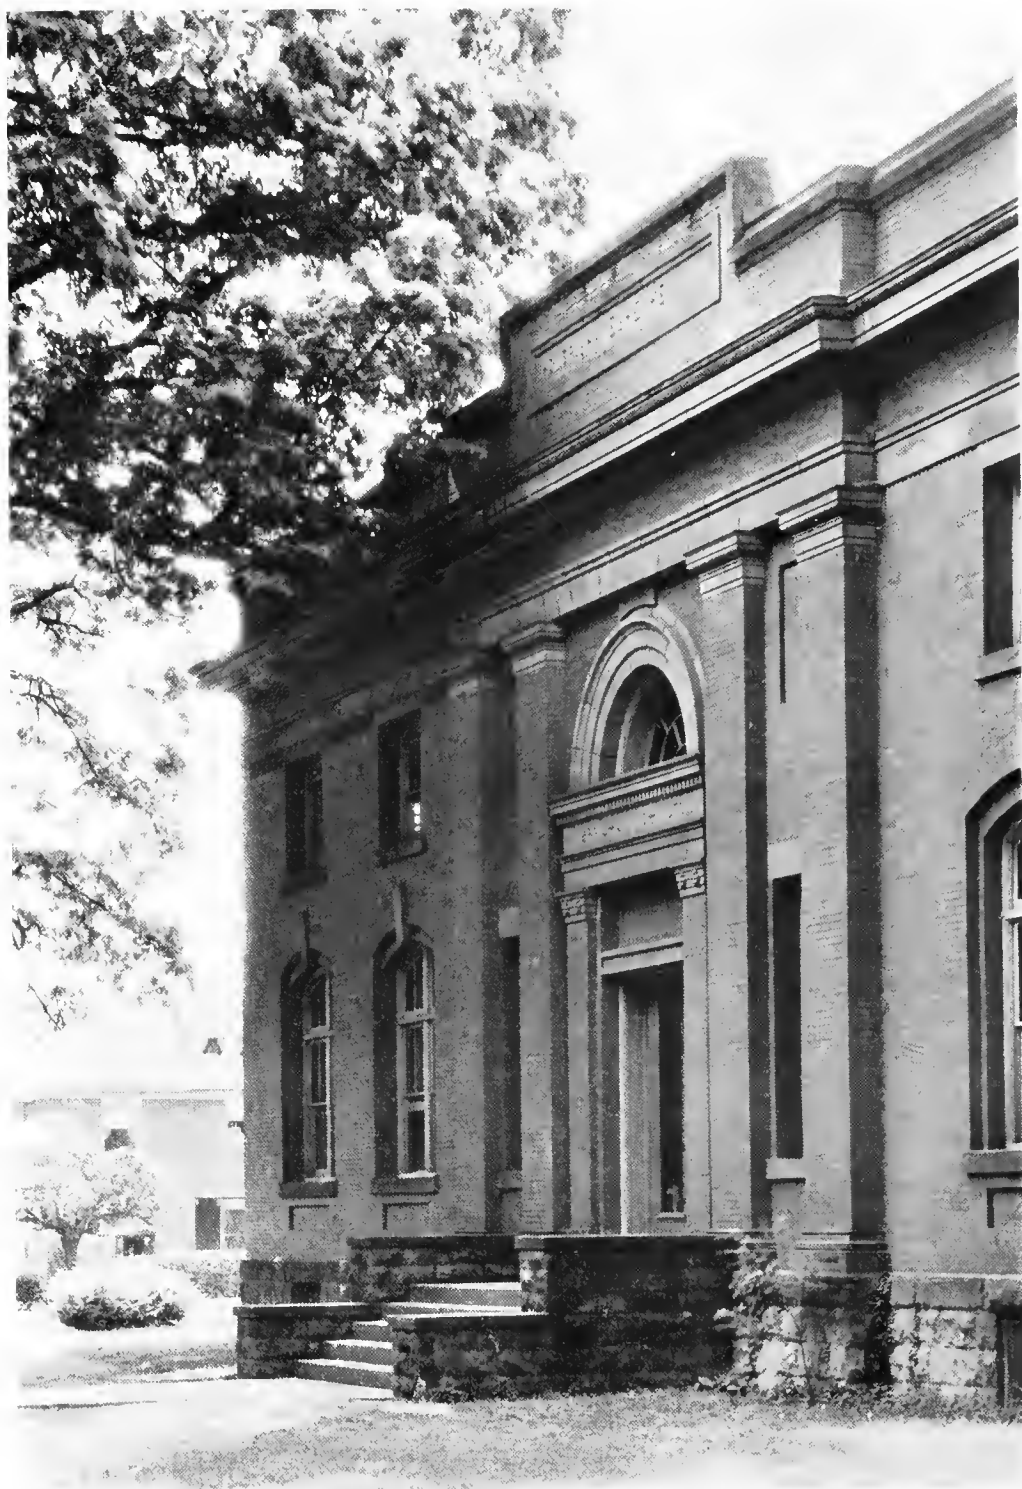

ADMINISTRATION

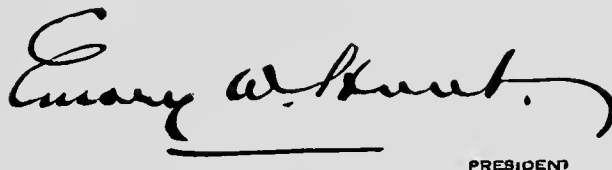

BUCKNELL UNIVERSITY
LEWISBURG, PA.

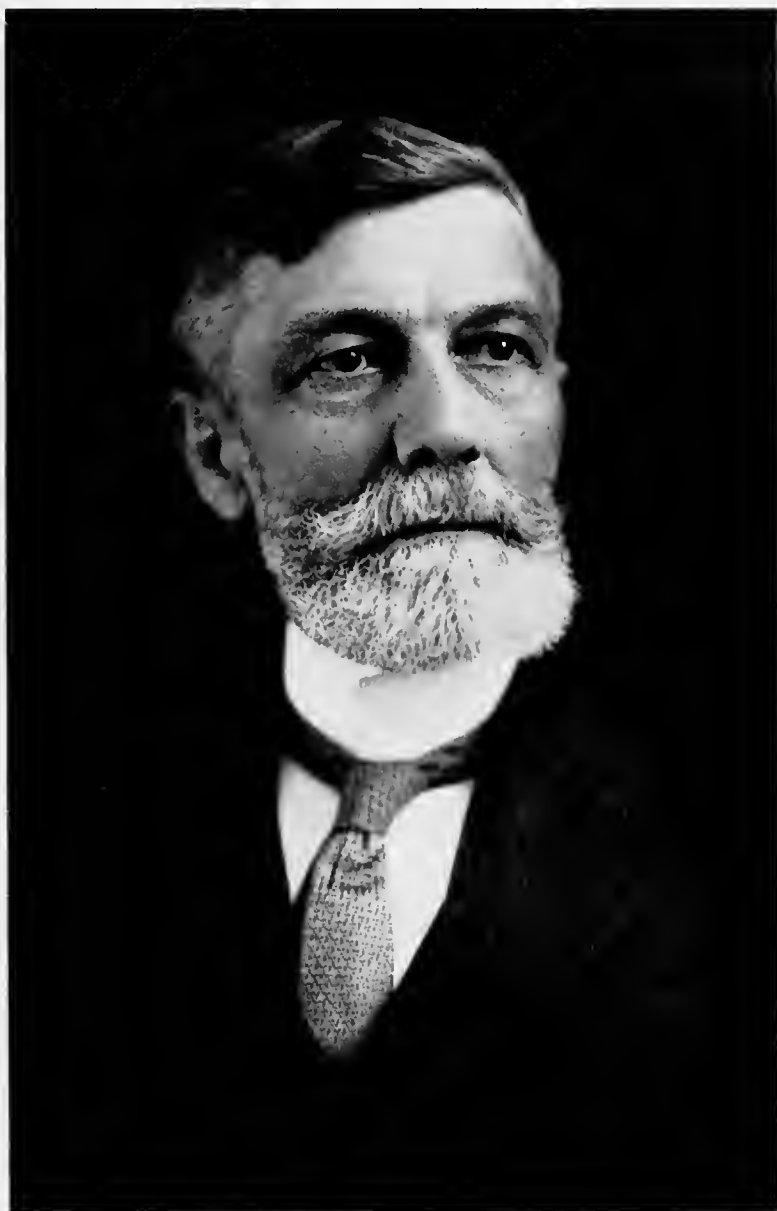

OFFICE OF
THE PRESIDENT

Once more L'Agenda makes its bow to the Bucknell family and presents the year's record from the student point of view. For those who have been here either in the past or the present this carries much not only of interest but of value. Much is represented in its pages which does not appear upon the Student's scholastic record but which will have a bearing upon his entire life. I am glad to record here my interest in it.

PRESIDENT

Senior Class History

AS seniors, we, the class of 1930, have become philosophical enough to remember only our victories and godsend, and to forget easily our defeats and frustrations.

We believe that we have improved and that Bucknell is progressing, and while we hesitate, modestly, to assume the credit, we can at least point with pride to the fact that this advance was made during our career here and that we did nothing to hinder it.

In athletics, activities, and service of any kind, we have tried always to do a little more than our share; yet, if we are missed at all, we hope it will be as much because of what we were, as for what we did.

We have no regrets except those upon leaving Bucknell; we can think of no future in which Bucknell will not share in our memories.

Junior Class History

THE old sundial on the Quadrangle is typical of the junior class. Just as the sun casts its shadows on the sundial, so has Bucknell made its impression on the class of '31.

The shadows of early morning, our freshman days, have long since passed, but there still remains the joy of the game characterized by the brilliant rays on the dial.

The radiance of a noontide sun found us at the end of our sophomore year reminiscent of our joys and sorrows, but a little closer to our aspirations.

Climbing high in its orbit the deeper rays of an afternoon sun saw its intensity reflected in more serious accomplishments of our junior year.

Uncharted on the face of the dial, our senior year is obscured in the shadows of the twilight.

Sophomore Class History

RESOLVED: that we, the class of 1932, have developed from the blundering "freshy" stage, humble and obedient, into a superior state of "sophomoric" attainment.

We may have stumbled bewilderedly through the first stage of our college career, undergoing the novelties of Freshman Week, and later, meekly following the upper classmen — awed by their brilliance; however, we were then a class in the making.

As sophomores, glorying in our new-found freedom and in that thing called wisdom, we have supposedly waded through the year looking at the world through rose-colored glasses. In reality, we have taken our responsibilities and obligations a great deal more seriously than the "sophists" of the two upper classes may have thought.

As freshmen we always returned victoriously, and as sophomores we may best be characterized by the slogan, "We may be down, but we're never out!" What more can be said?

Therefore, because we possess courage, confidence, determination, ability, respect for our faculty, sincere esteem for our seniors, affection for our juniors, and a consideration for our freshmen, we, the class of '32 consider ourselves worthy of mention in this yearly publication of our dearly beloved Alma Mater.

HELEN S. KELLOGG
Secretary

FRESHMEN

FOWLER L. TUON
President

FRID L. ENGLERTH
Vice President

Freshman Class History

WE, the class of 1933, arrived at Bucknell with a bang, and with a buoyant spirit, — a spirit which continued until the end of Freshman Week, when it was suddenly crushed by the upperclassmen. Our friendliness was looked upon as boldness, and our desire to mingle was snubbed by the cold, sophisticated sneers of our superiors. However, we were not frightened into extinction. Biding our time, we waited to show them that we were capable of being students at Bucknell University as well as they.

We believe that we have now proved ourselves to be more civilized than they thought us to be. We have not pushed ourselves forward, but by steadfastness and perseverance, we have striven to be as worthy a freshman class as has entered this institution.

HELEN E. MILLER
Secretary

PHILIP F. JONES
Treasurer

ACTIVITIES

Student Council

The Student Council is a body of seniors recognized as the highest authority in student activities and government, subject only to the President of the University. The council is composed of the presidents of sixteen fraternities and a representative of the unorganized group. Meetings are held monthly. The president or vice president of the senior class presides at meetings and is assisted by the other officers elected by the council.

Women's Student Senate

The Student Senate is a legislative, executive, and judicial body composed of two representatives from each women's social group on the campus. The sixteen members of this body include seven seniors, five juniors, and four sophomores. All women elect the representatives to the executive board, because each woman student is automatically a member of the Student Government Association. The president, a senior, is elected by popular vote in the middle of her junior year.

Debating Teams

The Women's Debating team, with a schedule of twelve intercollegiate debates, including their first meeting with a men's team, that of Ohio Wesleyan University, had a very promising season.

The men's team participated in an unusually large number of debates and also took part in two debates on the Oregon plan.

Both teams went on extensive trips, debating two subjects. Professor W. H. Coleman concluded his second successful season as director of debate.

Cap and Dagger

Cap and Dagger, the men's dramatic society, was founded in February, 1906. The object of this organization is to create an active interest in, and to foster the production of, dramatics, to train its members in the art of acting, and to lead the student body of Bucknell into an appreciation of the best that the field of drama affords. The members of Cap and Dagger are chosen from participants in several plays which are produced throughout the year. For the last five years, a one-act play has been sent, in cooperation with Frill and Frown, to the Pennsylvania Intercollegiate Dramatic Association contest, which this year was held at Bucknell. The first play entered in the contest received second prize, and the next two received honorable mention.

Bucknell Sociological Society

With five years of successful enterprise behind it, the Bucknell Sociological Society has completed another season of worthwhile achievements. Through its efforts, students have had the opportunity of widening their outlook upon society as a whole and of becoming better acquainted with the foremost leaders of our day. It has endeavored to bring the best to Bucknell, and has been gratified by the keen interest shown in this field of our campus activities.

Education Club

The Education Club, organized in October, 1925, is particularly interested in teaching as a profession, and is attempting to put it, as such, on a level equal to, and recognized as highly as, the other professions. Every year, individuals who have met with success in the educational field are secured to address the Club so that the members may have a wider range of technical equipment with which to undertake their future vocation.

The Big Four Engineering Society

This group is composed of the Chemical, Civil, Electrical and Mechanical Engineering societies. Each society retains its individuality, but works with the other societies upon matters which are mutually beneficial to the group as a whole.

The prime purpose of the society is to foster contact between the student engineers and industry. Lecturers of note are brought to the campus, and all engineering matters of general interest are taken care of by the Big Four. The society holds several social functions during the year.

American Society of Civil Engineers

In 1852, the American Society of Civil Engineers was instituted for the purpose of advancing engineering and architectural knowledge and practice, maintaining a high professional standard among its members, encouraging inter-communication among civil engineers, and establishing a "central point of reference and union for its members."

The local chapter was installed in October, 1921.

American Society of Mechanical Engineers

The Student Branch of the A. S. M. E. provides a medium through which the student in Mechanical Engineering may more readily understand the practical application of the theories and laboratory experiments which are developed in his regular curriculum, and it enables the members to become acquainted with those actively engaged in the profession. It is hoped that the "mysteries" of engineering will be solved by plant visitations, by contact with established engineers, and by frequent opportunity to discuss before an audience those engineering problems which carry the greatest appeal to each student.

American Institute of Electrical Engineers

The American Institute of Electrical Engineers is the national organization representing the electrical engineering profession. It was founded in 1884, when the possibilities which might follow from an organization which would foster and encourage electrical development were beginning to be realized. The objects of the Institute are the advancement of the theory and practice of electrical engineering and of the allied arts and sciences, the maintenance of a high professional standing among its members, and the development of the individual engineer.

On May 17, 1910, the board of directors of the American Institute of Electrical Engineers authorized the establishment of a branch at Lewisburg to be known as the Bucknell Branch of the American Institute of Electrical Engineers. Some of the major activities of the branch are as follows: technical meetings at which papers are presented and lectures given by men prominent in the profession, educational motion picture entertainments, special laboratory demonstrations, joint meetings with other branches, inspection trips, and electrical shows.

The Bucknellian

The Bucknellian, a member of the Intercollegiate Newspaper Association, is the college eight-page weekly. It now has a circulation of more than 2,000 copies. Staff positions are placed on a competitive basis, and selections are made each semester from the students interested and active in journalism. The Bucknellian won first prizes for the best editorial and for the best general news in the fall convention of the Intercollegiate Newspaper Association of the Middle Atlantic States.

The Belle Hop

The Belle Hop is a humorous magazine published seven times during the college year by Bucknell students. It was founded in 1923, and since that time it has steadily increased its circulation and has taken its place among the leading humorous magazines of the East. It is a member of the Eastern Association of College Comics. Staff positions are on a competitive basis.

ATHLETICS

Dedication

WE, the Class of 1931, respectfully dedicate this Athletic Section to Robert W. Thompson. For years Mr. Thompson has been the most prominent lay-figure on the Athletic Council of the University. His interest, counsel, and support have helped to make the athletic stability of Bucknell a certainty. In dedicating this section of L'Agenda to him, we wish to honor him for his love for Bucknell, to commend him for his loyalty and support of her teams, and to express our appreciation of his untiring efforts in behalf of our Alma Mater.

Captain "Ernie" Woerner

WHILE the success of the Bucknell football team can be traced to excellent team work, and a fine team spirit, high spots here and there are held by individuals. Among those individuals who deserve special mention for the record of the Thundering Herd is Captain "Ernie" Woerner, tackle.

The spirit of the Bison was an important factor in the winning of the scheduled games. Woerner displayed a wonderful leading spirit in addition to his stellar performance in the line. As a player he showed marked ability. As a leader, he was an inspiration. As a man, he is respected by all who know him. He is a member of the Phi Kappa Psi fraternity.

Clark Hinkle, Leading Scorer In The East

IN a season replete with sophomore triumphs on almost every college gridiron, it was most fitting that Bucknell should garner her share of reflected glory from one of her second year stalwarts. Clark Hinkle, Toronto, Ohio's contribution to the fullback post, brought honor to himself and fame to his Alma Mater by his consistent scoring, which won for him the distinction of being the leading scorer in the East.

Hinkle's ability as a triple-threat back was first demonstrated during the season of 1928, when the Ohio lad cavorted for the yearling eleven. He got off to an early start last season, and his line-plunging, passing, and punting drew the attention of sportsmen the country over.

His high scoring record is noteworthy, especially when the hard schedule which Bucknell played is considered. The honor is yet more significant when one realizes that Hinkle played not more than thirty minutes in any game, with the exception of the Fordham tussle.

With two years before him, and with the same fine running mates still with him for at least one season, Hinkle should again demonstrate his worth to the Orange and Blue.

Bucknell 31 St. Thomas 0

Coach Carl Snavely's Thundering Herd registered an impressive victory in opening the 1929 campaign by defeating the stalwart St. Thomas College aggregation by a 31-0 score.

The purple-jerseyed lads from the coal regions looked mighty sweet as they trotted out on the Memorial Stadium turf, but "Tony" Slate tore off too many spectacular runs, behind fine interference, for the visitors to win.

Harry Fry, James, Truxel, Wadsworth, and Stonebraker alternating at the end posts, and Captain Woerner's stellar tackle work made an insurmountable stone wall for the "Saints".

Snavely and Reed sent in their entire squad for a bit of exercise, against the rival eleven—the first of many who staged a gritty fight in a losing battle with the Bison.

The entire line-up of men who saw action in the fray gave their best. The game, although one sided, was replete with interest, the scoring giving an especial thrill.

Bucknell 33 Albright 0

Clark Hinkle started his sensational season in this Albright College assignment. "Doggy" Julian's fast, light team, which dopesters selected to win by a 13-9 score, fell before the onslaught of "First-Down" Hinkle and his men. Hinkle scored four touchdowns.

Bucknell's wonderful line found itself against the Lion foe, starting its reputation as being one of the strongest in the East.

Fry once more displayed an educated toe. Brumbaugh bagged a 67 yard run. "Cy" Marter, playing for the injured Captain Woerner, proved to be a sophomore sensation.

The Bisons literally mowed down the lighter Albright eleven in its marches down the field. The Albright aggregation, while brainy, and fast, was no match in weight for the Thundering Herd. Time after time the Lewisburg team marched down the enemy field, in spite of spirited attempts on the part of the home team.

Bucknell 6 W. and J. 14

Captain Douds, star debater of the W. and J. aggregation, led his team to a 14-6 victory over the Bison eleven before a Homecoming Day crowd. The wide-awake lads from west-end country turned back a weakening Herd. The Homecoming Day crowd was enthusiastic in vain, for the Presidents once more were to emerge victorious before a returning multitude. The Bucknell Band, arrayed in new and striking uniforms, vied with the red-capped music makers of W. and J. between the halves.

"Stew" Wilson and "Maury" Rush toted the ball to Bucknell's chagrin, while Butler proved his worth on the interference for his mates.

Clark Hinkle made Bucknell's only score—the first Bucknell touchdown against the Presidents since 1912. Slate and Brumbaugh were outstanding for Bucknell, while the Bison line did well.

In the closing minutes of the last quarter the Bisons showed signs of life when Brumbaugh advanced thirty yards on a pass from Hinkle, but Bucknell's cheers died away as the whistle ended the game after the next play, with the ball on W. and J.'s 32-yard line.

Bucknell 6 Lafayette 3

A raging Bucknell Bison, staging a desperate last-quarter rally, tore Lafayette's hopes for a successful season into shreds, when sensational work by Hinkle placed a touchdown over the Lafayette goal line, and enabled Bucknell to register its first win over the Lafayette Leopard since 1891.

The game was a thriller throughout, with the Bison having a slight edge during the tilt. Both teams played spotty football at times, with Lafayette losing many opportunities by fumbling constantly. Lafayette, despite its heavier line, was constantly losing ground in attacks through the forward wall.

The Lafayette aerial attack functioned perfectly in the second quarter, five of their attempts being successful. The Bisons finally solved their system, and the rest of the game found no successful Lafayette passes.

Hinkle, behind that good old line, made the score with varying favor for the Bisons. James, Wadsworth, Woerner, and Ellor ripped the opposing offense in dangerous moments. Justin Brumbaugh tore off a 53-yard run from the kick-off, as well as spearing a Leopard pass as part of the good game turned in against the old rival.

Bucknell 33 Gettysburg 0

Wiping out the sting of last year's reverse, the Thundering Herd made the earth tremble under the avalanche of touchdowns which ground the Gettysburg foe into the dust of defeat by a 33-0 margin. A strong passing attack, fierce line-plunging, and brilliant open-field running bewildered the visiting aggregation.

"Eddie" Bollinger and "Ernie" Woerner were tackles par excellence, Stone-breaker, Truxle, and Wadsworth did nobly at the ends. Hinkle, Brumbaugh, and Slate were the backfield luminaries in the first half, while Kozik and Ross carried the attack in the latter cantos.

Gettysburg filled the air with passes in the closing minutes of the fray, but all their attempts failed and the Bucknell goal remained inviolate.

The Bisons gained 126 yards through a powerful aerial attack, while the best the Bullets could do in the air was to gain 43 yards on two passes.

Bucknell 13 Temple 0

A spectacular last period attack, led by the exceptional work of Clark Hinkle, knocked the Temple Owl from his perch and trampled it into the mud of the new Temple Stadium under a 13-0 score.

In spite of a pouring rain, loyal Bucknellians remained in the stands to see Captain Woerner, Carl Truxle, Tom Jones, and Merle Stonebreaker aid Hinkle-of-Toronto.

"Hod" Ellor's line play was a tower for Bucknell. Hinkle and Truxle received ovations from the Owl coach for their play, the Bucknellians at home offered thanksgiving before the "Grid-Graph".

The Temple game marked the beginning of a series of four of the hardest games that a Bucknell team ever played. Some optimists predicted two wins out of four; inclined to only one victory; the Bisons actually took three.

The Owls were decisively beaten in their own back yard; the first Bison win in Temple-Bucknell football history.

Bucknell 9 Villanova 0

A cool, calculating Bison toyed around with a vicious Wildcat at Scranton, and after sixty minutes of play, the Wildcat was dragged from the field with its imposing record of no defeats in nineteen starts trailing in the gory sludge of a 9-0 defeat.

So cleverly executed was the play of the Bisons, that in only one instance did the Villanova team have any opportunity to score. In the first quarter, Villanova never took the ball past her own 40-yard line on the offensive. In the second and third quarters, the ball did not pass mid-field, and in the last quarter, on two sensational passes, both from Morgan to August, the ball was taken to the 10-yard line. August's fumble of a lateral pass proved unlucky as Fry swooped in and pounced on the ball.

The winning scores came in the second and last quarters. Slate, Brumbaugh, and Hinkle, with aid from Fry as the receiver of a 22-yard pass, brought the ball sixty yards down the field, with Hinkle crashing over the goal line for the touchdown. Ross missed the try for extra point.

In the last quarter, a 67-yard advance was stopped on the Villanova six-yard line, and on the last down, Ellor stepped back and booted a three-pointer squarely through the posts. The play sewed up the game and drowned any Villanova hopes for a tying or winning score.

Bucknell 27 Penn State 6

A Bucknell Bison that had no respect for posterity humiliated a powerful Pennsylvania State College eleven on New Beaver Field, when Coach Carl G. Snavely's cohorts snared their third straight victory in as many years from Hugo Bezdek's Nittany Lions by a 27-6 score.

Bezdek's famous lateral and triple pass plays were smeared in their infancy as the well-drilled Bucknell line crashed through time and again to down the State men in their tracks.

The Bison backfield could not be stopped. Intercepting passes and making successful passes of their own was the Herd's order of the day. Three scores were made in the second period, and then Snavely mercifully sent in his third team, only to have them further the blood-lust of the Bison.

Clark Hinkle here won the crowd with his display of first-down talent at propitious intervals. Lobel, Slate, Brumbaugh, and Kastrava were big guns for the Bisons.

Bucknell 0 Fordham 14

The Thundering Herd went down to defeat at the hands of the Fordham aggregation before an immense crowd at the Polo Grounds. Although more than doubling the New Yorkers in first downs, with Hinkle alone gaining as many yards as the entire Fordham team, a cleverly executed pass and a blocked kick paved the way for the loss of the day.

Norman Ross, New England light-weight back, scintillated for the Bison crew, time and again ripping the opposing line for yardage. Hinkle played well in his line plunging tactics, while that old line held out even against the giant fore-wall of the metropolitan team. Late in the game the home team scored fourteen points in less than two minutes, and, although Bucknell made eight first downs in a row, the game ended without a Bison score.

Next year, at Thanksgiving time, the Thundering Herd will again meet the Gotham eleven in New York. After the recent rating of football teams, which placed Pitt, Fordham, and Bucknell as the three leading teams of the East, next year's game should draw a mammoth crowd to the metropolitan area on Turkey Day.

Bucknell 78 Dickinson 0

A gritty Dickinson college team played the game against overwhelming odds, as Hinkle ran up 50 points, making him the highest scorer in the East.

The passing, Hinkle to Slate, was the talk of the game, "Tony" Slate paving the way for Hinkle's scores via line plunges. The Bison line toyed with the visitors' wall, mangling it at will. Wadsworth speared an enemy pass to score in the last game of his college career, while Justin Brumbaugh ran back a kick-off for a touchdown. Ross showed lots of stuff, while the entire squad was lively as they were rapidly substituted by Snively.

This was the last game for nine of the Bucknell gridsters. The entire line, Captain Woerner, Wadsworth, Truxel, Bollinger, Ellor, Jones and Kostos played their last game. Huffman and Stephens, substitutes, played a number of minutes before the final whistle blew.

A tenth Bison, who had already played his last game for the Orange and Blue, sat on the player's bench to watch the locals romp away with the turkey. He was George "Lefty" James, for three years a varsity end, who suffered a fractured skull that necessitated his leaving the squad in mid-season.

Anthony G. Slate

Captain-Elect

"TONY" SLATE
Football Captain, 1930

Next year will see the Thundering Herd again on its way toward a successful season under the leadership of "Tony" Slate. Slate is a fine back, fast, hard running, an excellent man on either end of a pass. It was through his work that many of the games were won during the past season, and through him also that the ball was carried into scoring position for Hinkle, the East's leading scorer.

"Tony" Slate is a leader. He is president of the Bucknell Y. M. C. A., a member of the Lambda Chi Alpha fraternity, and of the Druids. On the campus, "Tony" is one of the most popular football figures, and his leadership of the 1930 team is a guarantee of success to student followers.

Varsity Basketball

JOHN D. PLANT
WELLAND B. WADSWORTH
OLIVER WAGNER

Coach
Captain
Manager

COACH JOHN D. PLANT began the basketball season with the task of molding a quintet from a group of youngsters who reported for the first practice. Captain Welland Wadsworth and Frank Kostos were the only lettermen back for activity. After a rather unsuccessful season, in spite of the efforts of Mr. Plant and the lads under him, eight men received their letters.

As the season opened, "Steam" Chenoweth, diminutive forward, Harry Fry, elongated center, and "Dutch" Borrella, long-armed guard, were developed from last year's frosh team. Cyrus Marter, also a second year man, played well at guard—teamed with Captain Wadsworth—until his withdrawal from school at mid-season.

Misfortune hit the squad at the start of the season. "Tony" Kostos, one of the most dependable of the Plantmen, injured his ankle at the outset, and was not able to play the first half of the schedule. The inadequacy of Tustin Gym made playing on foreign courts an entirely new experience. The youthful personnel of the squad was not physically up to playing seven games in eleven nights. Fra-

ternities continued to hold men for their own teams, thus weakening the varsity source of material.

In spite of these difficulties, Welland Wadsworth led his team to six victories during the season. Wadsworth was a splendid guard, an excellent floor man, and a fine leader. "Tony" Kostos was another dependable guard whose work stabilized the play of the team. Chenoweth was the team's high-scorer, after a season of fine work as a fast-passing forward. Harry Fry worked well at the center post. Donald Borrella alternated at guard, while Harold Mitchell and Calvin Smith earned letters as forwards. Norman Ross not only scintillated as a forward, but proved his value to the team, as was evidenced by their selection of him as their captain for the 1930-1931 season.

CAPTAIN WADSWORTH

Varsity Baseball

CHARLES JONES
 GEORGE K. JAMES

 CARL SNAVELY

1929 *Captain*
 1930 *Captain*
Manager
Coach

Errors in the play of infielders paved the way for the poor showing of the 1929 edition of the Bucknell baseball team. The pitching of Halicki and Jeffries was above the usual collegiate par, but bad fielding blunders sent the Bison nine to nine defeats, while only six victories were garnered.

Outstanding in the Bison wins were decisions gained over the United States Military Academy team and Temple. The team started out well by defeating Albright, 1 to 0. Catholic University won at Washington 4 to 0, in the first game of a three-game jaunt. Mt. St. Mary's were taken over by a 1 to 0 score, and then the Bisons lapsed into a losing streak that extended over six games.

Ursinus felt the might of the Bison bats and fell 8 to 6, and Temple journeyed to Lewisburg to lose 11 to 8. The Army fell next at West Point, 5 to 4, but New York University shattered the winning streak by trouncing the Bisons. Fordham won, and then Seton Hall was defeated in the last Bucknell victory. Juniata completed the season by winning 13 to 2.

The players that composed the 1929 nine were: Catcher, Ammerman; Pitchers, Halicki, Jeffries, and Linkfield; Infielders, Mitchell, C. Jones, Brumbaugh, Lobel, and Shuman; Outfielders, James, Kozik, T. Jones, Seiler.

The 1929 net season, although it was not an overwhelming success for the Bucknell varsity, was terminated with an even break. Out of seven matches played, the team won three, lost three, and tied one.

Due to poor weather conditions the season did not get under way as soon as was planned. Bucknell suffered a bad defeat at the hands of the Washington and Jefferson netmen in the opening tilt. During the next five matches the Bisons recovered, winning from Juniata once, and Susquehanna twice, and tying Gettysburg and losing to Franklin and Marshall. The climax of the season was the match at State College. The Bison netmen lost for the first time in eight years, to the upstaters by a 5-2 score.

The Bucknell boxing team completed its third season against Georgetown University's glovemen. The team, led by Captain Mutzel, defeated teams representing Pennsylvania Military College, West Virginia University, Temple University, and Catholic University. Close matches were lost to New York University and to Georgetown University.

The Bucknell team boasts as fine a personnel as any team in the East, and the boys showed exceptional ability during the season. Frank Lepore suffered only one setback during the season, and that bout was lost to the Georgetown 145 pounder. Lepore had previously won a decision over Stunkard, conquerer of the inter-collegiate champion in his class. The team continues to grow in strength and the recognition of its ability is wide-spread. Two thousand people crowded the Lewisburg High School Gymnasium to see the Bucknell-Temple meet.

 1930 *Manager*
Coach

Soccer was introduced at Bucknell, as a part of the program of the Physical Education Department, by John Plant. For four years the popularity of the game grew as it was played between classes and fraternities. The high tide of interest culminated this year in Bucknell's first inter-collegiate soccer team. Starting long after the regular season, the team played but two games, losing to State Teachers' College (Stroudsburg), and to the Gettysburg College team.

A seven game schedule, embracing some of the leading college teams in the East, has been arranged for the 1930 season.

Mr. J. B. Hopkins, of the Engineering Department faculty, proved very efficient in the capacity of coach for the 1929 season.

While not boasting an over-successful season in number of games won, the freshman squad developed material which promises to bolster the varsity roster during the coming season. Alex Grudkowski, frosh captain, was the steadiest player of the Mussermen, and his work at the guard post was noteworthy. Maximovicz, the ever-high-strung forward, teamed well with Halpern, rugged passer. Eastburn, former Perkiomen court star, will stand watching next year, as will the center, Smith. Filer, and Vetter are point-hawks whose scores will come in handy, as will the tap-off ability of Miller.

Intramural Athletics

Intra-mural sports at Bucknell have assumed an aspect which threatens to dwarf even the efforts of varsity teams other than football. The inter-fraternity basketball season boasts an attendance average per game which sets at nought that of any varsity attendance. What with every fraternity and the non-fraternity group competing in almost every sport, it would seem that the policy of athletics for everyone were indeed a reality.

The basketball season of 1929-'30 saw the Sigma Alpha Epsilon five, and the Lambda Chi Alpha quintet, champions of their respective leagues, taken in tow by teams representing Kappa Sigma and Phi Gamma Delta in the semi-finals. The diminutive Kappa Sigma team ran rough shod over a court combination of S.A.E. gridmen, while the Phi Gamma Delta team eked out a victory over the Lambda Chi cage team. In the final series, these black horse teams, "Phi Gam" and Kappa Sigma, battled their way in style royal, — with the Kappa Sigma team receiving the coveted campus championship.

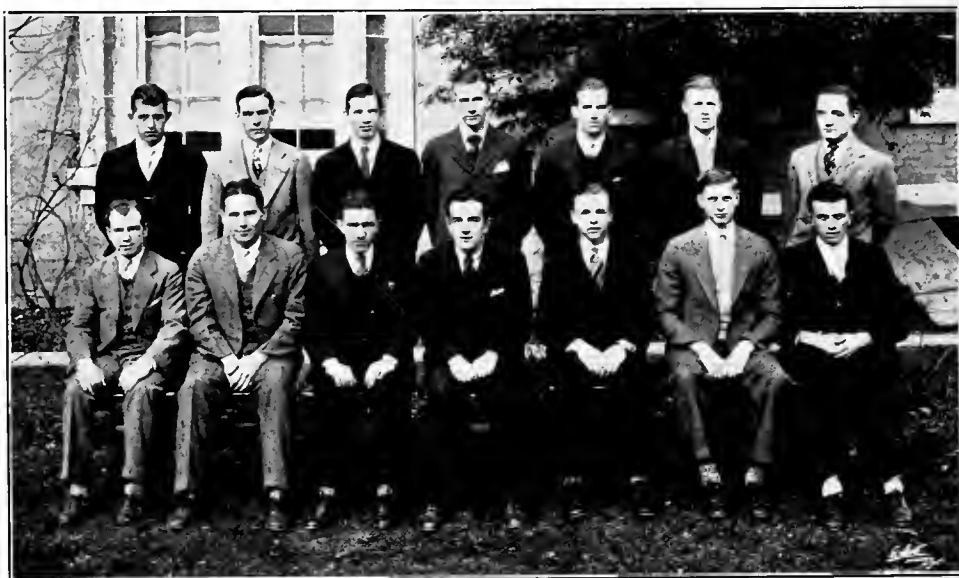

Not the first cup of victory was this. Kappa Sigma also reigns supreme as Bucknell soccer champion, by virtue of her series win over Sigma Chi in the cup play-off.

While the present baseball season of the inter-fraternity loop is not yet over as we go to press, the S.A.E. champions of last year's series intend to repeat.

The co-ed teams are not lost in the rush for campus athletic honors. The Alpha Chi Omega hockey team, in a sea of ice, water, and mud, defeated the Delta Delta Delta field team, to claim again the fall championship. In basketball, the Pi Beta Phi team repeated its victorious march, receiving the championship plaque.

Phi Kappa Psi

Pennsylvania Gamma chapter of Phi Kappa Psi, founded by William S. Wood in 1855, is the oldest fraternity chapter on the Bucknell campus. Phi Kappa Psi was founded at Jefferson College, February 19, 1852. Only four chapters in the fifty included in the Phi Kappa Psi roll are older than the local chapter.

Sigma Chi

Sigma Chi is one of the "Miami Triad," as the three societies originating at Miami College, Oxford, Ohio, are frequently called, the other members being Beta Theta Pi and Phi Delta Theta. Kappa chapter was formed from a local society at Bucknell, called the Iota, and installed as Kappa chapter of Sigma Chi on March 4, 1864. Sigma Chi is the only fraternity that remained active at Bucknell during the period in which fraternities were prohibited. Sigma Chi has now eighty-nine chapters.

Kappa Sigma

Kappa Sigma was founded at the University of Virginia, December 10, 1869, by William Grigsby McCormick, George Miles Arnold, Edmund Law Rogers Jr., Frank Courtney Nicodemus, and John Covert Boyd. The founders were known in the fraternity as the "five friends and brothers." At present Kappa Sigma with 108 active chapters, has the largest chapter roll of social collegiate fraternities. Six members of the Bucknell board of trustees are members of Alpha Phi.

Second row: CORNER, COHEN, MANDEL, STERN, SOLOMON*

Tau Epsilon Delta

Tau Epsilon Delta was originally known as the Minorah Club. This group consisted of Jewish students on the Bucknell campus. Through the untiring efforts of George L. Frost, '29, Nathan H. Heiligman, '29, and Benjamin Fenichel, '30, the Minorah Club became a local Jewish fraternity; the only one that was ever founded at Bucknell. Official and formal recognition was given to this organization by President Hunt, the Faculty, and the Board of Trustees in June, 1929. The purpose and underlying principles are: "Fellowship - Scholarship - Friendship."

Pi Delta Epsilon

Pi Delta Epsilon, national honorary journalistic fraternity, was founded at Syracuse University on December 6, 1909. The local chapter was installed at Bucknell in 1924. The national organization has forty-five chapters. The purpose of the fraternity is to foster practical journalism in the college. The local chapter conducts an editorial contest each year; the winners are awarded their prizes on Commencement Day.

Pi Mu Epsilon

Pi Mu Epsilon, national honorary mathematics fraternity, was founded at Syracuse University on May 25, 1914, for the purpose of promoting general scholarship, especially in science and mathematics. The local chapter was installed at Bucknell on March 5, 1925, growing out of the Mathematics Club. Membership in this fraternity is granted only to students of Junior standing, having a minimum general scholastic average of 80 per cent, and a major or minor in mathematics or engineering.

Druids

The Druids, a national sophomore honorary society, was installed at Bucknell on March 20, 1926, when the local chapter of Theta Delta Tau transferred to this newer organization. Membership in the society is obtained through the selection of fifteen men from the freshman class at the close of the school year. The members are selected for their recognition and popularity gained on the athletic field, in the class room, and in the general life on the campus.

The other chapters are located at Penn State, University of Pittsburgh, Carnegie Institute of Technology, Washington and Jefferson, Dartmouth, University of Delaware, and Lafayette College.

Friars

The Friars, national honorary sophomore fraternity, was installed at Bucknell on April 9, 1927, when Phi Delta Sigma, honorary upperclass fraternity, became affiliated with this organization. The Friars was founded at Penn State, where the strongest chapter is now active. Each year fifteen outstanding men of the freshman class, who, through their activities, have gained recognition and popularity in athletics and on the campus, as well as in the class room are elected to membership in this fraternity.

Sigma Beta Chi

Sigma Beta Chi, local professional chemical fraternity, was organized at Bucknell on October 14, 1927. Its purpose is to create a professional attitude toward chemistry among those students who intend to devote their lives to that science, and to unite them in the bonds of fellowship. The fraternity also fosters scholastic attainment and each year awards The Sigma Beta Chi Fraternity Prize to that member of the freshman class in Chemical engineering who has obtained the highest average in chemistry.

Germania

Germania, honorary German fraternity, was evolved from Der Deutsche Verein in September, 1929. The purpose of the organization is to stimulate interest in the German language. During the year, lecturers were secured to speak before the student body, and faculty members addressed the fraternity on the various phases of German life and culture.

EVENTS

May Day

Louise Graff, '29, received one of the greatest honors which can be bestowed upon a co-ed, that of being crowned Queen of the May at the annual May Day fete, Saturday afternoon, May 18. The scene of the exercises was laid on the men's campus on the north edge of Loomis Field. This part of the campus formed an exceptionally pretty background for the picturesque festival.

The royal procession started at 3 o'clock. The queen, whose identity had remained a secret until her entry, was preceded by a stately procession of eighteen senior girls dressed in orchid Grecian robes. The girls formed an aisle down which the queen proceeded to her throne. The train of the queen's beautiful white satin dress was carried by two small children.

The queen's attendants were Rhoda Herr, Mary Elizabeth Evans, Thelma Showalter, Jessie Fielding, Mary Tyler, Sara Porter, Betty Siegfried, "Jimmy" Mosser, Jane Foust, Jean Wood, Eloise Bailey, Mary Wagner, Oella Kizor, "Frannie" Saul, Naomi Brace, Esther Girton, and "Toots" Thomas.

In conjunction with the crowning of the May Queen a delightful operetta, entitled "Marenka", was presented. Approximately fifty girls took part in the various dances that made up the operetta. The costumes of the participants, especially those of the dancers added color and charm to the scene.

Seventy-Ninth Annual Commencement

Dignified and impressive were the ceremonies of the Seventy-ninth Annual Commencement of Bucknell University held on the Quadrangle, Wednesday morning, June 12, 1929. The occasion marked the award of five honorary degrees and one hundred and seventy-six degrees in course. President Emory W. Hunt acted as Master of Ceremonies and Dr. David A. Robertson delivered the Commencement Address, "The Enchanting Miracle of Change".

The academic procession headed by Marshal N. H. Stewart and The Band wound slowly up the hill from Bucknell Hall to the Quadrangle. After the seniors, faculty, alumni, and guests had been seated, prayer was offered by Rev. Dr. G. C. Horter, '94. President Hunt introduced Dr. Robertson, whose speech was followed by the conferring of honorary degrees and the awarding of diplomas.

The awarding of prizes and the benediction closed the program of the morning. Degrees with distinction are as follows:

Summa Cum Laude

Mary Gertrude Dunkle

Magna Cum Laude

Henry Barto Stere

Cum Laude

Albert Judson Abbott

Peter Mathew Barzilaski

Alice Elizabeth Frederick

Esther Rebecca Girton

Mildred Jean Headings

John Edward Rank

Geddes Wilson Simpson

Frank Scipione Storaci

Margaret Wallace

Edwin Wallace Wilkinson

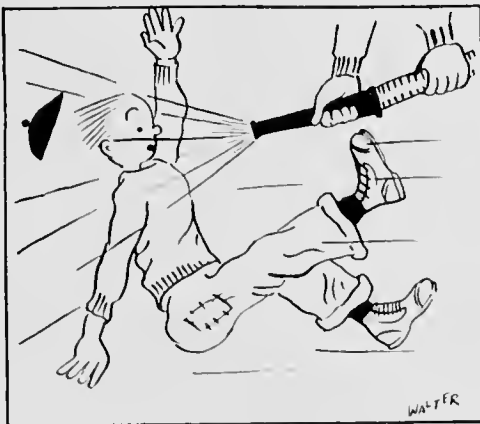

Jean Harris Wood

Convocation

"You are not a jar to be filled with facts through the funnel of your professor's lecture, sealed, trademarked, and shipped out as a product of your Alma Mater. You must have facts, of course, from which to reason, but your main problem as a college student is to build a philosophy of life," said Dr. George R. Baker, the speaker at the annual convocation ceremony held on Friday, September 20 in Commencement Hall.

The various groups assembled promptly at ten o'clock for the procession which moved in the time-honored manner. The faculty members, resplendent in cap and gown, with Dr. H. W. Robbins as their leader, marched to the auditorium through a line of undergraduates which extended from the Chemistry building to the top of the hill. According to custom, the seniors followed the faculty with the other classes entering the building in order of rank.

Frosh Water Parade

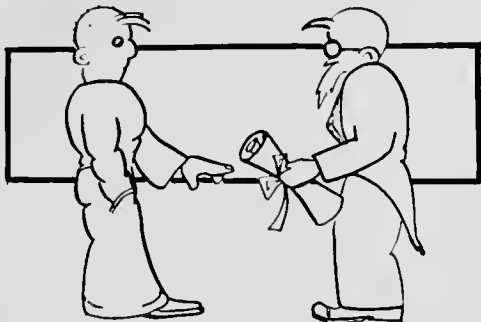

The male members of the infant class of 1933, under the guidance of heavily armed sophomores and with the temperature at 48 degrees Fahrenheit, made the rounds of Lewisburg on Wednesday, September 18 and were formally baptised as students in Bucknell University. The ceremonies, which included many duckings and grovelings, much singing and necking, were performed before an audience made up chiefly of townspeople and co-eds.

Frosh-Soph. Scrap

The afternoon of Saturday, September 21, 1929, saw feverish activity among the upper-classmen of Bucknell. Gathered at the steps of East College, the "frosh" class made preparations for the traditional comeback from water-nite. Fowler Teuton, president of the class of 1933, applied vivid streaks of green Duco to the vaseline-smeared faces of his underlings, for the coloring of sophomore garments.

Marching the length of Loomis Field, the yearlings drew up in battle array opposite their handful of sophomore antagonists. Around the combatants gathered an interested throng from the Hill, the "Sem", and the town, attracted by the promise of blood and gore. Upper-classmen in charge of the lists outlined the rules of the meet to the eager frosh, and the gun sounded the charge. Out-flanked and outnumbered from the start, the sophomores were overwhelmed and ignominiously routed in less than three minutes. At the finish whistle all of the sophomores had been over-powered and deposited to freshman credit over the dividing line. The rest were on their way, well cared for by adequate groups of freshmen. The victory of Teuton's infants was so complete that a count was unnecessary.

Alumni Present Scholarship Cup

Alumni Secretary Alfred G. Stoughton, in the name of the Alumni Association of Bucknell, presented a silver loving cup in chapel on Friday, September 27 to Alpha Chi Mu, the fraternity which attained the highest scholastic standing on the campus for the last year.

The Alumni Association will present this cup each year with the winner's name engraved upon it. If the scholarship of any one group is highest for three consecutive years, the cup becomes the permanent property of that fraternity.

Education Conference

On Friday, October 11, 1929, the fourth annual education conference convened at Bucknell, for a two-day session. Among the noted educators who gathered here were Dr. Clarence Barbour, President of Brown University, and Dr. Ambrose L. Suhrie, Dean of the New York University School of Education.

The educators were the guests of Bucknell University at a buffet dinner served by the co-eds in the new dormitory on Friday evening, following the afternoon conferences which attracted many students. President Hunt presided over the evening session in Commencement Hall, at which time both Dr. Barbour and Dr. Suhrie spoke.

The program for the Saturday conference included addresses by twenty-two school officials, and in the afternoon the guests attended the annual Homecoming game, which was the final number on the education program.

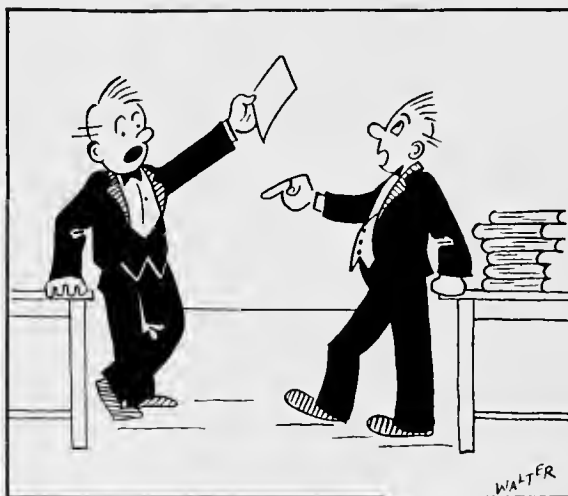

Carnegie Foundation Indicts Bucknell

Bucknell was included in the list of those American colleges and universities "which tempt young men to barter their honesty for the supposed advantage of a college course, dishonestly achieved," made public on October 24 in a 383-page bulletin issued by the Carnegie Foundation for the Advancement of Teaching. The foundation has spent three years in investigating athletics in 103 representative colleges and found that 84 "are tainted with professionalism."

New Zealand Debate

This year's debating season was formally opened on Monday evening, November 11, 1929, when the Bucknell debating team met the forensic trio from Victoria University, of Wellington, New Zealand. President Hunt presided.

Victoria was ably represented by Messrs. Guy Richardson Powles, William Joseph Mountjoy, and Walter J. Hall, three men who have won an international reputation as debaters of the highest rank.

Bucknell's team consisted of Mr. Ned T. Raker, '31, Mr. Edgar W. Lare, '30, and Mr. David J. Evans, '32. These men had been working under the direction of Professor William H. Coleman, and each had taken part in three intercollegiate debates.

The Victoria team succeeded in doing what no other foreign team had accomplished, in defeating Bucknell by the audience decision. A ballot was taken before and after the debate and showed that the Victoria team had changed 38 decisions from undecided, and four decisions from affirmative to negative. The subject for debate was: "Resolved, That Trial By Jury Be Abolished." Bucknell upheld the affirmative side, and Victoria the negative.

Norman Thomas

On Thursday, November 14, 1929, Bucknell was again honored by the presence of Mr. Norman Thomas, whose appearance was sponsored by the Sociological Society. He spoke that evening in Commencement Hall on the subject of "Race, Religion, and Fraternity."

Third Consecutive State Victory Bonfire

A huge bonfire on November 28, climaxed a football celebration that looked more toward the Fordham game than backward over the overwhelming Bucknell victory over her most ancient rival, Penn State.

President Emory W. Hunt, Coach Snavelly, and Captain Woerner spoke of the coming Fordham game. President Hunt voiced the sentiment of the crowd when he said, "Bucknell has defeated Penn State so many times that soon there will be nothing to celebrate."

Bucknellian Takes Trophies

Bucknell University scored sweeping triumphs in the dual journalistic contest that featured the Fall convention of the Intercollegiate Newspaper Association of the Middle Atlantic States in session at Washington, D. C., on November 22, when a jury of Washington editors awarded The Bucknellian first prizes for the best editorial and the best general news.

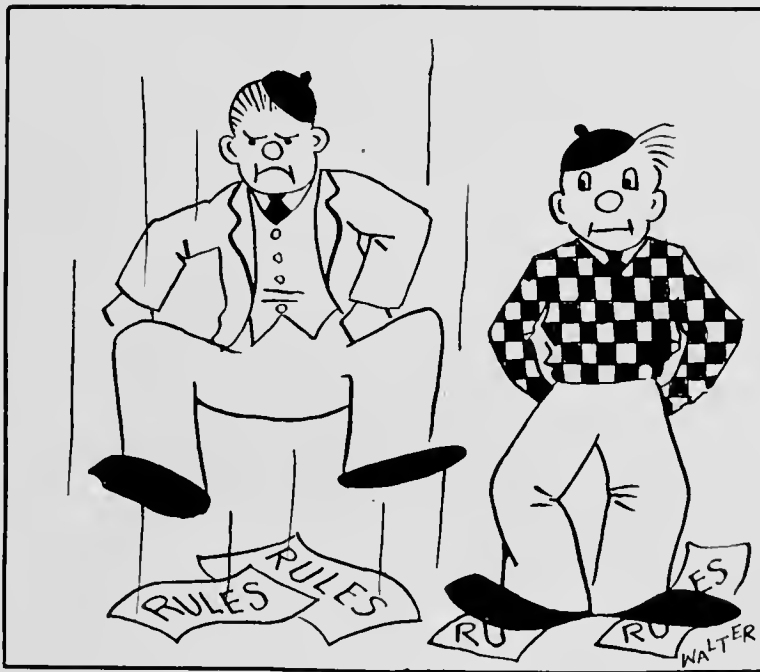

At the May meeting the Bucknellian won first place for editorials and an honorable mention for general news.

The Bucknellian scored again when her editors were awarded second prize for news stories and an honorable mention for editorials, at the Pi Delta Epsilon convention at Penn State College in April.

Frosh Revolt

On Tuesday evening, November 26, 1929, the freshman class held a mass meeting in Bucknell Hall for the purpose of petitioning the august body of the senior tribunal to remove certain odious and obnoxious rules from their frail shoulders. The frosh deserve credit for the deliberate and reasonable way in which they tackled the affair. They appointed a commission of five of their number, who after conferring with the Dean, drew up a list of the conditions which they considered an abuse of justice, which were presented in their chapel service on the 29th.

The weight of the frosh argument is seen in the ultimate result of the agitation against class rules, which were abolished by the senior tribunal on Thursday morning, the sixth of February, 1930. The only rules which the freshmen are required to observe are those pertaining to dink, black hose, black tie, and speaking to everyone. Rules for sophomores and juniors were also removed, with the exception of those traditional customs making moustaches, canes, and derbies senior privileges.

Richard J. Beamish

On Tuesday, December 10, 1929, in upperclass chapel, Bucknell was favored by the presence of one of America's foremost journalists, in the person of Mr. Richard J. Beamish, special writer for the Philadelphia Inquirer, who spoke on the subject of "The Newspaper as an Educator". Mr. Beamish, who was educated at McGill University, has been active in newspaper work for the last half century. He has worked on numerous papers, including the New York Evening Sun, and for a number of years was managing editor of the Philadelphia Press.

J. Hillis Miller Named for Office of Dean of Freshmen

The creation of the office of Dean of Freshmen was provided for and J. Hillis Miller was named for the position by the Board of Trustees at its semi-annual meeting, held Saturday, December 21 at the home of Dr. Charles Parker Vaughan in Overbrook, Philadelphia.

Mr. Miller, in addition to his duties as Dean of Freshmen, will serve as an assistant in the Department of Psychology. He has been a member of the Department of Philosophy at the College of William and Mary and for the past two years has been engaged in graduate study at Columbia University. He will receive his Ph.D. there this spring. While in New York City, Mr. Miller was an assistant to Dr. Harry Emerson Fosdick.

Count Von Luckner

On Tuesday evening, January 21, 1930, a vast throng of students, townspeople, faculty, and visitors from nearby cities packed Commencement Hall to the doors to hear Count Felix von Luckner, of the Imperial German Navy, recount his experiences of reckless adventure on the high seas during the World War.

"I'm not a great speaker. I'm a sailor," was Count Luckner's greeting to the 1200 enthusiastic men and women who jammed Commencement Hall to capacity for the first number of the Artist Course. The colorful German naval hero and dashing humanitarian then proceeded to present some of the finest story telling, coupled with the most realistic acting that Bucknell audiences have been privileged to hear and see in recent years. Seats for the two-hour entertainment were at a premium as some students resorted to chairs on the platform while others filled the stairways. The audience was the largest that has occupied the Hall since the Commencement exercises attracted large crowds in bygone days.

Junior Promenade

The annual Junior Promenade, featuring Oliver Naylor and his Orchestra from the Palais d'Or in Philadelphia, was held in the new dining hall of the Women's College, on Friday evening, February 9, 1930, from nine until one. The committee, of which George Wright was chairman, was composed of the following: Mary Gross, favors and programs; Greg Allen, refreshments; and Elva Crist, advertising.

The usual assessment of five dollars per couple was made, and the new dining hall was thronged with students, debonair in formal dress. Due to the fact that the orchestra was delayed for nearly an hour and a half, special permission was secured from the powers that be to continue the dance three-quarters of an hour longer than anticipated. The orchestra more than redeemed themselves for their tardy appearance, however, and the dancers were thrilled and invigorated by the silvery strains of muted trumpets, the intoxicating thrum of banjos and guitars, and the raucous blare of "St. Louis Blues", and "The Man from the South".

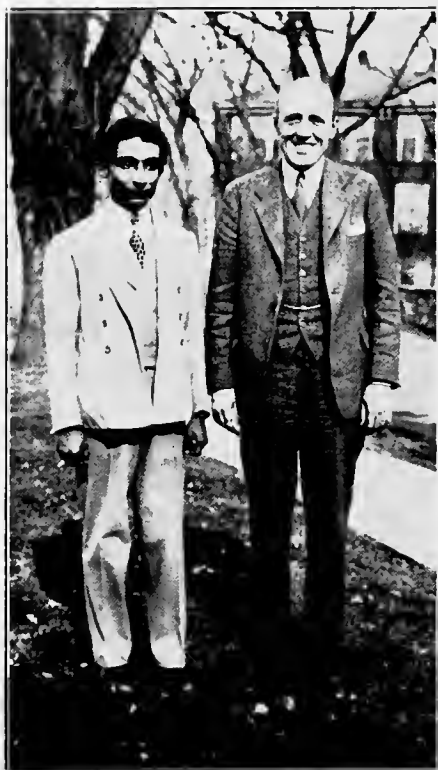

Prexy to Retire

President Emory W. Hunt set at rest all rumors regarding his retirement when he was interviewed on February 18, 1930, shortly before his departure for Old Point Comfort, where he spent a few weeks in quiet.

At the meeting of the Board of Trustees last June, Dr. Hunt called the attention of the Board to the fact that he would reach the age which many institutions set as the time for retirement. He recommended that the Board appoint a committee to consider the situation and report on it at the next meeting.

The committee reported at the December meeting of the Board, advising that President Hunt's resignation be accepted when his successor has been chosen and inducted into office.

The Institute of Human Relations

The Three-day Student Institute of Human Relations conference at Bucknell, held on February 18, 19, and 20, proved to be very beneficial in creating a better understanding by Bucknell students of the problems that confront Oriental people. During the conference, many of the liberal arts courses were adjourned so that the students could hear the speakers.

The gist of the conference may be summed up in the words of J. Vijaya Tunga, of Ceylon, spoken in Commencement Hall during chapel services. "There is no difference between people of the Orient and the people of this part of the world in the essentials and fundamentals of human frailty, hope, and aspiration."

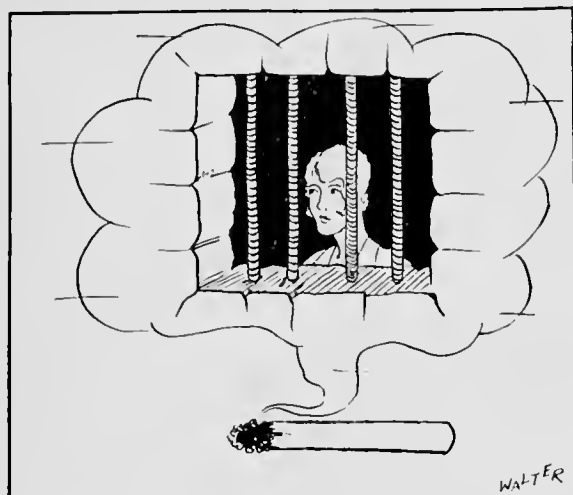

Interfraternity Song Contest

On Thursday evening, March 6, 1930, the song contest for women's fraternities was won by Tau chapter of Delta Delta Delta, the Kappa Deltas receiving honorable mention. The Kappa Deltas were the winners last year. On Tuesday evening, March 11, the men's inter-fraternity song contest was won by Zeta Alpha chapter of Theta Upsilon Omega, which was also the winner of last year. Eta chapter of Beta Kappa received honorable mention.

Thirteen fraternities were desirous enough of competing for the Phi Mu Alpha, Sinfonia, silver cups to rehearse for weeks in advance of the event of the sing. Seven sororities competed: Delta Delta Delta; Kappa Delta; Pi Beta Phi; Alpha Chi Omega; Phi Mu; Zeta Gamma Tau; and Sigma Sigma Delta. Of the ten fraternities which originally entered, six remained to compete: Theta Upsilon Omega; Beta Kappa; Sigma Chi; Alpha Chi Mu; Phi Kappa Psi; and Sigma Alpha Epsilon.

Co-Eds Campussed

Approximately 100 women were summoned before the Women's Student Senate on Tuesday and Wednesday evenings, March 11 and 12, 1930, during investigations conducted for the purpose of suppressing smoking by women in their rooms. On those two nights, forty-four women were placed on a six-weeks' "day, night, and man campus", as a result of having either tacitly or openly confessed before the Women's Senate that they had smoked in their rooms at some time during the present college year.

The Senate, taking drastic measures because of reports of widespread violation of the Women's College anti-smoking rule, concluded its investigation, begun Tuesday evening, March 11, in a stormy session lasting until the following midnight, March 12.

Pan-Pacific Conference

Bucknell Campus was the scene of a Pan-Pacific Race conference from March 14 to 16. The conference was a pioneer project of the Bucknell Y. M. C. A.

Among the more prominent members of the conference were: Dr. Camilo Osias, resident commissioner of the Philippines to the United States, Dr. K. C. Leebrick, dean of the school of liberal arts at Syracuse University, Dr. K. S. Latourette, professor of missions and Oriental History at Yale University, and Mr. E. Raymond Wilson, holder of the Japanese Brotherhood scholarship for 1928-'29.

Beside these men, students representing China, Japan, Honduras, Mexico, Korea, India, New Zealand, Canada, England, Argentine, and the Philippine Islands were present. One of the main features of the conference was the open forums held at the various sessions.

DR. CAMILO OSIAS

Ida M. Tarbell Gives One-hour Course

Bucknell was fortunate in securing the services of Ida M. Tarbell, internationally known biographer, who gave a series of lectures extending from March 17 to April 11.

One credit hour was allowed each student who took the course in biography given by the noted writer. Recent articles by Miss Tarbell are "Father and Son", in the March AMERICAN MAGAZINE, and "Lincoln's First Love", in COLLIER'S for the week of February 8.

Miss Tarbell was a student in Paris at the Sorbonne and College de France from 1891 until 1894. From then until 1906 she was an associate editor of McCLURE'S MAGAZINE, becoming associate editor of the AMERICAN MAGAZINE in 1906 and continuing in that capacity until 1915. Her clubs include the National Arts, Cosmopolitan, and Pen and Brush, of which she is president.

Golf Course

On Monday evening, September 16, 1929, at a meeting of representatives of the college faculty, the college trustees, the students, and the townspeople, at the home of President Emory W. Hunt, it was determined to press to immediate successful fruition, plans for a university golf course which have been so long materializing.

Judge Albert W. Johnson, William Walls, Esq., and Dr. John T. Judd, serving as a committee of the University Board of Trustees, purchased the Keiser farm, which lies west of the present college property, as a site for a golf course.

Credit for the program of construction of a golf course belongs to Professor W. T. MacCreadie, who has been untiring in his efforts to make a ten-year dream come true. Others associated with him are: Professors R. L. Matz, H. R. Warfel, W. H. Coleman, J. P. Whyte, and Mr. B. S. Hollinshead; Dr. R. M. Headings, E. C. Cunnius, Weber Gerhart, and Harry Showalter, Esq.

On Friday, February 28, 1930, Professor J. P. Whyte, chairman of the golf course committee, announced that Mr. Emil Læffler, noted golf architect, would arrive at Lewisburg within the next few weeks to look over the land which has been purchased for the golf course. By the middle of March, construction work on the course proper was under way, and two greens had already been built.

Robert Frost

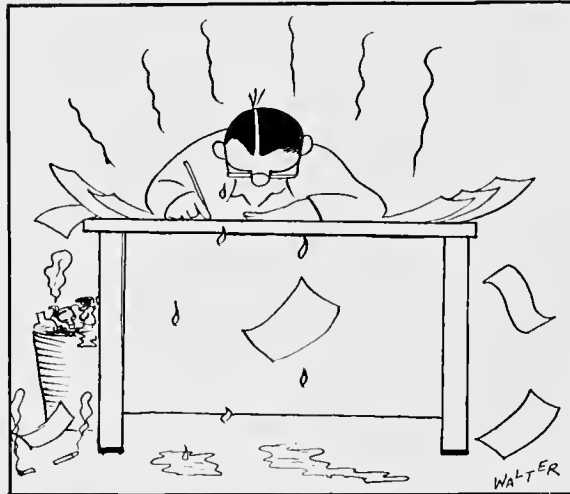

Robert Frost, one of the leading contemporary poets in America gave a reading of his poems on Tuesday evening, April 1, in the Baptist Church. The program was sponsored by the Bucknell Artist Course.

Mr. Frost, whose volume "New Hampshire" won the Pulitzer Prize for poetry in 1923, has been frequently named as one of the three greatest poets in America today. His latest individual volume, "West Running Brook" appeared in 1928 while his "Selected Poems" came in the same year.

Carnegie Exams

The Carnegie examinations for sophomores were given to the members of all four classes at Bucknell in place of the regular final semester examinations. All students were required to take these comprehensive examinations during the week of May 5.

Each department determined the weight to be given the examination in calculating the final semester grades in the courses of that department.

The substitution of the Carnegie examination for the regular semester examination is being made as part of a study conducted by the Carnegie Foundation For Learning, the Department of Public Instruction in Pennsylvania, and the Association of Pennsylvania College Presidents.

Our Advertisers

THE financial success and stability of this fortieth volume of L'AGENDA is due in no small measure to the assistance and spirit of its advertisers, who, by their support and willing cooperation, have made this publication possible, and are eminently entitled to the patronage and good-will of Bucknell men and women.

BUCKNELL UNIVERSITY

Emory W. Hunt, D.D., LL. D., D.C.L., President

The presence of beauty creates in the heart the love of beauty, the desire for beauty, not merely of a physical kind, but of every sort. So Bucknell's ancient oaks, while they may not make scholars, do play no negligible part in the shaping of student character. They are one of those intangible influences which, united, make up the atmosphere of the real University.

THERE IS A DIFFERENCE IN PRINTING

ALL artists do not create pictures of equal merit. All composers do not conceive music of equal beauty and melody. All writers are not equally skilled in choosing and using themes and words.

Nor is all PRINTING alike. Superior printing is not alone a matter of equipment or of materials, of time or even of skill. Rather it is a combination of these and a great many more.

To combine all our facilities to truly produce SUPERIOR PRINTING is the everyday aim of this organization.

It is therefore with true pride that we make our imprint on

Is Your Ambition Pulling With You Or Against You?

TRUE--

It takes courage to withstand the many temptations to spend money.

BUT--

The most important changes in our welfare have resulted from a little bit of common sense thinking.

A COMMON SENSE MAN IS

A SENSIBLE MAN

He works hard, enjoys each day the best he can, saves a little, and when the books are balanced at the end of life, you will find to his credit a record of a lot of good deeds well done and some enjoyment.

Acknowledgments

WE wish to acknowledge the services of all individuals and institutions that have made possible the production of the fortieth volume of L'AGENDA, and to especially thank

Professor L. E. Theiss and Professor M. L. Drum, whose interest as faculty advisers has made possible the completion of this year book,

Mr. G. Grant Painter of the Williamsport Printing and Binding Company, whose counsel and high quality of workmanship have greatly supplemented the inexperience of student editor and manager,

Mr. R. S. Knox and Mr. W. V. Lazear of the Northern Engraving and Electrotype Company for the art work and faithful reproduction of photographs,

Mr. William Dorsey of White Studio for prompt photograph service,

Mr. H. W. Holter for the use of color plates,

Mr. A. G. Stoughton for the use of photographs, and

The Bucknellian for Events copy.
